UNIVERSIDAD
NEBRIJA

30 years of innovation, humanism, and professional commitment

A high-performance organization

At Nebrija, we have always been defined by an entrepreneurial spirit where effort, achieving results, and teamwork serve as the hallmarks of everyone who forms part of the University.

Striving for excellence, moving forward, and continuous improvement are central to our pedagogical model, work ethic, and the professional character of our students.

Generous and decisive, a unified team

The Nebrija profile is distinguished by its focus on actions that create positive impacts. We believe in the power of cohesive teams to achieve these goals.

We know that a unified team produces results greater than the sum of its parts. That is why we continuously help, encourage, trust, and collaborate with one another. Honesty and responsibility guide everything we do, as we remain accountable to society.

Committed to our environment

We provide innovative solutions to meet the needs of students, partner institutions, and society as a whole. Intellectual curiosity and a commitment to progress are at the heart of everything we do.

Technology plays an integral role in our academic and research model. We are dedicated to understanding and addressing the needs of students, faculty, businesses, and our collaborating institutions.

Strive. Improve. **Advance**

Forbes

One of the best
universities in Spain

Among the top 10
universities for
Employability

Leaders in Employability

From its inception, Nebrija University has set the standard for practical application, both within the classroom and in collaboration with numerous companies.

Our curricula, professional faculty, and extensive internship opportunities offer students real immersion in the professional world.

Internships are crucial for the career integration of our graduates and, therefore, for one of our main objectives: their employability.

Our admission process is both a selection and an advisory process, designed to identify the talent of each candidate and guide them on their academic path.

1 Admission Process

- Submission of documentation on the Admissions Portal
- Skills test
- Interview
- English level test

2 Admissions Committee

Your application will be evaluated. Your academic advisor will inform you of the result within two days.

3 Admitted

When your academic advisor informs you of the admission result, you will be able to reserve your place and complete the enrollment process. matriculación.

Open House Day

We invite you to participate in our Open House Days to learn about our academic offering, Campus and Nebrija university life first-hand.

Sign up

Three young women with long, wavy hair are walking towards the camera in a bright, modern hallway. They are all smiling and looking at the camera. The woman on the left is wearing a dark blue sleeveless top and light blue jeans. The woman in the middle is wearing a dark blue sleeveless top and blue jeans. The woman on the right is wearing a green sleeveless top and white pants. The hallway has a high ceiling with exposed pipes and warm lighting.
