## Partner feedback

*This excellent training prepares for demanding tasks in business: The two participating schools offer the opportunity to study business administration in the German-French cultural frameworks. The students in the dual program acquire intercultural knowledge and skills and are prepared for a management activity in an international environment. The complementary curriculum prepares the graduates of this course for the management tasks in German-French, European or globally active companies and institutions.*

**Frankfurt University of Applied Sciences, Germany**

## Examples of positions held by Alumni

Event manager, export sales manager, retail manager, international business developer, marketing product manager, brand manager, webmarketing manager, supply chain manager, international buyer, financial analyst, internal auditor, financial controller, risk manager...

### Troyes, a dynamic and bustling city

A medieval town and the historical capital of Champagne, Troyes is best known for its architectural beauty, its unique collection of half-timbered houses and its narrow paved streets. Troyes, along with the Champagne area, celebrates its many notable wineries and champagne-related attractions.

### Our campus in Troyes

A 15,000m<sup>2</sup> campus in the heart of the city, close to student accommodation, well served by public transport and only 1.5 hours from Paris!
