"I applied to VAMK due to my interest in technology and environmental issues, and Vaasa offers great employment opportunities alongside being an excellent student city. VAMK also provides diverse study options and through student union VAMOK, I've received valuable support and services."

– RATTANAKON VICHAJAN,  
Thailand and Finland. Engineering student

"The City of Vaasa is beautiful, and I dare say it stands out even among other Finnish cities. There is always something to do, with many hidden gems waiting to be explored"

– MARKO CHISSANCHO,  
Mozambique. Information Technology

"Studying IB at VAMK led me to become an International Marketing Trainee, Energy Academy Mentee, and Study in Finland's Ambassador."

– KHIN PHYU CYN KYI,  
Myanmar. International Business

"Career starts when your education starts. Start networking immediately when you arrive in Finland."

– LUKUMANU IDDRISU,  
Ghana, Graduate in International Business (BBA)
